The Mayor called for Guest – Brenda Long, MSU Extension - Foreclosures

Ms. Long stated that in the extension office in Ionia, she can do one on one counseling. The sooner the better to start communication with the lender. Through this program she can help folks as much or as little as they want, to help go through the foreclosure process. Home ownership helps with family stability. This service is available to Ionia County residents. It is at no cost to the homeowners. They have set up a schedule to have group information sessions. There will be one here in Belding next Wednesday evening at 6:30 p.m. at the library. They will be talking about the overall foreclosure process. She wanted to raise awareness that this service is now in Ionia County. She will be coming back to Belding on Thursday if they would like another stack of flyers for city hall.

The Mayor called for the Consent Agenda.

- A. Approval of Minutes 10-20-09
- B. Fireworks Permit
- C. DART – Third Party Contract

Council Member Stout stated that he would like to separate Item A.

The voting on consent agenda A is as follows:

Ayes: Council Members Bunce, Belding, Wills and Satterlee.

Nays: None.

Abstain: Council Member Stout.

Council Member Stout made a motion to approve the consent agenda, supported by Council Member Belding.

The question on the motion was called and the result of the voting is as follows:

Ayes: Council Members Bunce, Stout, Belding, Satterlee and Wills.
Nays: None.

Following are the resolutions contained in the Consent Agenda.

The Mayor called for Business Agenda Item **B – SIGN ORDINANCE AMENDMENT – FIRST READING**

ORDINANCE NO. 509

AN ORDINANCE TO AMEND APPENDIX B (ZONING ORDINANCE) OF THE CODE OF ORDINANCES OF THE CITY OF BELDING.

THE CITY OF BELDING ORDAINS:

Section 1. Amendment of Section 16.4 - Signs

Section 16.4 of Appendix B of the City of Belding Code of Ordinances (“City Code”) will read in its entirety as follows:

SECTION 16.4 SIGNS

A. Intent

This section is intended to protect and further the health, safety, and welfare of the residents of the City of Belding; to maintain and improve the appearance of the City of Belding; to conserve community character; to prevent traffic hazards; to provide safer conditions for pedestrians; and to promote economic development by regulating the construction, alteration, repair, maintenance, size, location, and number of signs. These regulations are further intended to provide reasonable identification for businesses and other uses within the community.

B. Sign Definitions

21. *Property Development Sign:* A sign advertising a new subdivision, development or structure, which advertises lots for sale, buildings for sale or lease, etc.
22. *Reader Board:* A portion of a sign on which copy is changed manually.
23. *Real Estate Sign:* A sign advertising the real estate upon which the sign is located as being for sale, rent, or lease.
24. *Roof Sign:* A sign erected upon a roof. A sign erected upon a mansard roof or other roof surface with a pitch of greater than forty-five (45) degrees shall be considered to be a wall sign.

Portable Sign Examples

25. *Sign*: A device, structure, fixture, or placard using graphics, symbols, and/or written copy designed specifically for the purpose of advertising or identifying an establishment, product, service, or activity.
 26. *Special Event Sign*: Temporary signs containing public messages concerning special events sponsored by governmental agencies or non-profit organizations.
 27. *Temporary Sign*: A sign, flag, banner, balloon, pennant or valance, usually constructed of cloth, canvas, light fabric, cardboard, wallboard or other light materials, with or without frames, or any other sign, other than a portable sign, that is not permanently secured and is not intended or designed for permanent use.
 28. *Vehicle Sign*: A sign designed to be mounted to a vehicle or trailer and designed to be visible to other motorists or pedestrians while so mounted, with the primary purpose of advertisement while the sign is being transported. A sign painted on a vehicle that identifies the business that owns or uses the vehicle, or a sign depicting the name of the owner of the vehicle, shall not be considered a vehicle sign.
 29. *Wall Sign*: A sign painted on or attached directly to and parallel to the exterior wall of a building extending no greater than twelve (12) inches from the exterior face of the wall to which it is attached.
 30. *Window Sign*: A sign installed inside a window and intended to be viewed from the outside.
- C. Permit Required: No person shall erect, alter, place or permit to be placed, or replace any sign without first obtaining a sign permit, except those specifically exempted from permit requirements in Section 16.04, F, below.
- D. General Sign Provisions
1. Signs shall be maintained free of peeling paint or paper, fading, staining, rust, or other condition which impairs legibility or intelligibility or creates a blighting, unsightly or unsafe condition.
 2. Sign supports, braces, guys and anchors shall be maintained in such a manner as not to cause a hazard.
 3. When a sign is allowed to be illuminated, it may be internally illuminated, or if externally illuminated, the source of the light shall be enclosed and directed to prevent the source of light from shining directly onto traffic or residential property.
 4. Sign Location: No sign shall be placed in, upon or over any public right-of-way, alley, or other public place, except as may be otherwise permitted by this Section and as follows:
 - a. In the B-1 District, a projecting sign may extend over the public sidewalk, provided that the bottom of the sign is at least eight (8) feet above the sidewalk. The City may require the owner of the sign to provide insurance and indemnification in the event that the sign may damage public property or cause injury to persons or property within the public right-of-way.
 - b. A garage or estate sale sign is permitted within a City of Belding right-of-way, subject to the requirements of Table 16.4-3.
 5. No light pole, utility pole, or other supporting member shall be used for the placement of any sign unless specifically designed and approved for such use.
 6. No sign shall be erected in any place where it may, by reason of its position, shape, color, or other characteristic, interfere with, obstruct the view of, or be confused with any authorized traffic sign, signal, or device, or constitute a nuisance per se.
 7. No commercial vehicle, which in the opinion of the Zoning Administrator has the intended function of acting as a sign, shall be parked in any area abutting the street.

8. Except for electronic displays as allowed by this Section, no sign shall employ any flashing, moving, oscillating, blinking, or variable intensity light, provided variable time-temperature signs may be permitted.
9. No sign shall contain any moving or animated parts nor have the appearance of having any moving or animated parts.
10. No wall sign shall extend above or beyond the edge of the wall to which it is affixed.

E. Prohibited Signs

The following signs shall be prohibited within the City of Belding:

1. Off-premise signs, except special event signs as permitted by this Section.
2. Vehicle signs; however, signs attached to a public transit vehicle or other government-owned vehicle shall be exempt from this Section
3. Roof signs
4. Balloon signs, except when allowed as a commercial event sign
5. Signs that are held by or supported by a person for commercial advertising purposes

F. Exempted Signs

The following signs shall be exempt from the permit requirements of this Section, except for the provisions of Section 16.4, D:

1. Directional signs, subject to the requirements of Sec. 16.4, J, 1, below
2. Government signs. A permanent government sign may include an electronic display or reader board
3. Commercial event signs of four (4) square feet in size or less, except that balloons shall not be allowed. For commercial event signs that exceed four (4) square feet or that utilize balloons, see Table 16.4-2
4. Historical markers
5. Window signs, provided that no more than fifty (50) percent of the window area is covered with signs.
6. Political signs, subject to the requirements of Section 16.4, L, Table 16.4-2.
7. Memorial signs or tablets
8. Murals, provided that no portion of the mural contains advertising
9. Signs not visible from any street or alley
10. Signs for essential services
11. Placards not exceeding two (2) square feet
12. Signs with address, owner, or occupant name, of up to two (2) square feet in area attached to a mailbox, light fixture or exterior wall

- 13. Flags or insignia of any nation, state, city, community organization, or educational institution
- 14. Commercial signs mounted to a public transit vehicle or government vehicle

G. Non-conforming Signs, Illegal Signs, and Signs Accessory to Non-conforming Uses

- 1. Every permanent sign which does not conform to the height, size, area, or location requirements of this section as of the date of the adoption of this Ordinance, is hereby deemed to be non-conforming.
- 2. Non-conforming signs may not be expanded, enlarged, or extended; however, the face of a nonconforming sign may be replaced, so long as the nonconforming nature of the sign is not expanded or increased. Non-conforming signs may be maintained and repaired so as to continue the useful life of the sign.
- 3. For purposes of this article, a non-conforming sign may be diminished in size or dimension or the copy of the sign amended or changed without jeopardizing the privilege of non-conforming use. If a sign is nonconforming in its setback, this paragraph shall not apply, and the sign may not be replaced.
- 4. Any non-conforming sign destroyed by fire or other casualty loss shall not be restored or rebuilt if reconstruction will constitute more than fifty (50) percent of the value of the sign on the date of loss.
- 5. Any sign which for a period of three (3) months or more no longer advertises a bona fide business conducted or product sold shall be removed by the owner of the building, structure, or property upon which such sign is located, within thirty (30) days of receipt of written notice by the Zoning Administrator. The Zoning Administrator may grant one extension of up to six (6) months, provided that the proprietor of the sign can show due cause for the extension.
- 6. A sign accessory to a non-conforming use may be erected in the city in accordance with the sign regulations for the subject zoning district.

H. Units of Measurement

- 1. The area of a sign shall be measured as the area within a single, continuous perimeter composed of any rectangular figure which encloses the extreme limits of writing, representation, emblem, logo, or any other figure of similar character, together with any frame or other material or color forming an integral part of the display or used to differentiate the sign from the background against which it is placed, excluding only the structure necessary to support the sign.

- 2. The area of a pole, ground or projecting sign that has two (2) or more faces shall be measured by including the area of all sign faces, except if two (2) such faces are placed back-to-back and are of equal size, the area of the two (2) back-to-back faces shall be counted as one (1) face. If the two (2) back-to-back faces are of unequal size, the larger of the two (2) sign faces shall be counted as the one (1) face.

- 3. The height of a sign shall be measured as the vertical distance from the highest point of the sign to the grade of the adjacent street or the average grade of the ground immediately beneath the sign, whichever is less. Where the ground is built up or raised (such as a berm), the height of the sign shall be measured from the original grade. Increasing the grade for the purpose of increasing sign height is prohibited.

- 4. For buildings with multiple tenants, the sign areas for wall signs, projecting signs and awning signs shall be determined by taking the occupant frontage applicable to

each tenant and computing sign requirements for that portion of the structure.

I. Sign Regulations Applicable to All Zoning Districts

1. Reader Boards: All ground, pole and wall signs as permitted in Section 16.4, K, below, may include a reader board. No more than forty (40) percent of the sign area may be a reader board. A reader board is not permitted on a sign that has an electronic display.
2. Any sign, including awnings and marquees to which signs are affixed or displayed, not resting directly on the ground, shall maintain a minimum clear space of eight (8) feet from the bottom of the sign to the ground.

J. Specific Sign Requirements

1. Directional signs are permitted for nonresidential uses and multiple family developments in any zone district, subject to the following restrictions:
 - a. A directional sign may contain a logo of an on-premise establishment, but no advertising copy.
 - b. No such sign shall exceed four (4) square feet in area or three (3) feet in height.
 - c. Directional signs shall be limited to traffic control functions only.
 - d. Directional signs may only be illuminated from within.
2. Home Occupation Signs. A sign for a home occupation shall be limited to one (1) wall sign that is no greater than four (4) square feet in area. A home occupation sign may not be illuminated.
3. Business Center Signs.
 - a. In the B-2 District, a business center sign is permitted, subject to the following requirements:
 - (1) Any property or building designed for more than one (1) business shall require a business center sign. Separate pole or ground signs for individual businesses within a Business Center shall not be permitted.
 - (2) Number: One (1) per street frontage, but not more than two (2) signs, provided that lots with two street frontages shall have a minimum width at each right-of-way line of at least seventy-five (75) feet in order to have a second sign.
 - (3) Area: A business center sign in the B-2 District shall not exceed one-hundred fifty (150) square feet in area, subject to the following:
 - (a) For a business center sign advertising two (2) to four (4) businesses, each business shall be limited to no more than thirty (30) square feet.
 - (b) For a business center sign advertising more than four (4) businesses, each business shall be limited to no more than twenty (20) square feet.
 - (c) The name and primary street address of the Business Center shall be displayed on the sign with lettering at least four inches (4") in height.
 - (4) A business center pole sign must have a minimum ten (10) foot visual clearance.
 - (5) Location: Minimum of ten (10) feet from any property line for ground or pole signs; however, this setback shall be increased to ensure clear vision from any driveway or street; or fifteen (15) feet from any property line for pole signs.
 - (6) Height: No higher than six (6) feet for ground signs or thirty five (35) feet for pole signs.

- (7) Illumination. Business center signs may be illuminated according to Section 16.4.D.3.
 - b. In the B-1 District, one business center sign is permitted for an enclosed shopping center. This sign shall be limited to fifty (50) square feet and thirty (30) feet in height. This sign shall contain the name of the business center and also may be used to advertise City and community events.
4. Marquee and Awning Signs: In the B-1 and B-2 districts, a marquee or awning sign is permitted, subject to the following requirements:
- a. Marquee signs:
 - (1) One (1) sign is permitted per marquee, located on the front fascia.
 - (2) No more than one (1) marquee sign is permitted per street frontage.
 - (3) No marquee sign shall be larger than forty (40) percent of the marquee fascia, with a maximum area of twenty-five (25) square feet.
 - (4) A marquee sign may be backlit or illuminated by exterior lamps attached to the marquee and directed only upon the sign.
 - b. Awning signs:
 - (1) No more than one (1) sign is permitted on each awning. There may be no more than one (1) awning sign per street frontage.
 - (2) No awning sign shall be larger than twenty (20) percent of the face of the awning to which it is attached, with a maximum area of twenty (20) square feet.
 - (3) An awning sign may be illuminated only by means of backlighting behind the awning surface. The light source shall not be visible from outside the awning.
5. Electronic displays: An electronic display is permitted, subject to the following requirements:
- a. General Requirements
 - (1) An electronic display is permitted only on pole or ground signs, except that an electronic display that displays time and temperature only may be allowed as part of a wall sign.
 - (2) An electronic display is not permitted on a sign that has a reader board.
 - (3) The entire sign face shall only convey a single product or message at any one time.
 - (4) Except for the change from one display to the next, which shall be instantaneous, each individual sign display shall be stationary. No elements of the display may move, flash or scroll, except to change from one display to the next.
 - (5) Displays may change no less than five (5) seconds apart.
 - b. District Requirements
 - (1) In residential districts and residential planned unit developments, an electronic display is permitted for an allowed non-residential use only. The electronic display shall consist of no more than sixty (60) percent of the sign area.
 - (2) In the OS-1, B-2 and I-1 districts and any commercial or industrial planned unit development, an electronic display is permitted, provided that the electronic display shall consist of no more than fifty (50) percent of the sign area.
 - (3) B-1 District:
 - (a) For pole and ground signs, an electronic display is permitted, provided that the electronic display shall consist of no more than forty (40) percent of the sign area.
 - (b) For the one business center sign permitted in Section 16.4.J.3.b, an electronic display is permitted, provided that the electronic display shall consist of no more than fifty (50) percent of the sign area.

6. Portable Signs.
- a. Portable Signs Existing at the Time of Adoption. Any portable sign existing on the effective date of this Section, regardless of nonconforming or permitted status, shall be allowed to continue, subject to the following requirements:
- (1) All signs existing on the effective date of this Section shall be inventoried by the Zoning Administrator. The requirements of this subparagraph shall apply only to those signs listed on the inventory.
 - (2) A portable sign shall not be the primary sign for the property. At least one (1) permanent sign that is not a portable sign, meeting the requirements of this Section, must be located on the premises.
 - (3) All such signs shall be maintained and repaired in good working condition. All frames, etc. shall be painted and rusted areas shall be rustproofed and repainted.
 - (4) Lettering shall be maintained to create complete words and readable messages.
 - (5) The portable sign structure shall be correctly oriented horizontally and vertically, and shall not be allowed to bend or sag.
 - (6) Illumination may be backlighting from within the sign, or from a shielded light source directed only upon the sign. The light source shall not be visible from the street.
 - (7) A portable sign under this subparagraph shall not be mounted on a trailer or other wheeled vehicle.
 - (8) All portable signs subject to this subparagraph shall be brought into conformance with the above requirements no less than six (6) months after the effective date of this Section. Any sign not in compliance by this deadline shall be removed by the owner of the property on which the sign is located, or if the owner fails to do so, by the City at the expense of the owner. The City may use any authorized means to recover the costs related to such removal.
 - (9) All portable signs subject to this subparagraph shall be removed no later than five (5) years after the effective date of this Section. Any sign not removed by this deadline may be removed by the City at the expense of the owner of the property on which the sign is located. The City may use any authorized means to recover the costs related to such removal.
- b. Temporary Portable Signs
- (1) This subparagraph applies only to any request for a new portable sign after the effective date of this Section. Any property subject to subparagraph.a, above, shall not be eligible for a temporary portable sign until all existing portable signs on that property have been removed.
 - (2) The Zoning Administrator may issue a permit for a temporary portable sign according to the requirements in Table 16.4-2.
- c. Ground, Wall and Pole Sign Requirements: Where permitted, ground, wall and pole signs shall be erected according to the requirements of Table 16.4-1.
- d. Temporary Sign Requirements: Requirements for temporary signs shall be according to Tables 16.4-2 and 16.4-3. Except as stated within the tables, temporary signs shall not be illuminated.

Section 2. Severability.

The various parts, sections, and clauses of this Ordinance are hereby declared to be severable. If any part, sentence, paragraph, section or clause is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of the Ordinance shall not be affected thereby.

Section 3. **Repeal.**

Any and all Ordinances of the city or any parts or provisions thereof to the extent that they are contrary to or inconsistent with the provisions of this Ordinance are hereby expressly repealed.

Section 3. **Effective Date.**

This Ordinance becomes effective ten (10) days after its adoption and upon publication in a newspaper of general circulation.
